NOW HIRING

Are you looking for a career that is fulfilling? Do you want to work for one of the top employers in the Quad Cities?

The United States Army, Headquarters (HQ), Joint Munitions Command (JMC), is looking to hire a Quality Assurance Specialist (Ammunition) Interns at Rock Island, IL.

Salary starts at $43,657.00 (GS-1910-07)
Full salary range after 2-years ($64,611.00 to $83,993.00 full performance GS-1910-11)

About the position: This position is being filled under the Direct Hire Authority for Certain Personnel of the DoD Workforce.

Duties: Participates in planning, development, implementation, and management of the munitions QA program. Assist with preparation of Quality Assurance Letters of Instruction (QALI); Participates in Investigations of manufacturing field problems and assists in resolving quality deficiency reports. Works with senior specialist to performs root cause analysis reviews and QA plans for conformance to standards. Provide assistance in performing planned and systematic evaluations and audit verifications to include contract review, inspection system evaluation, contractors receiving inspection, purchasing, document controls, inspection planning, in-process operations/controls/inspections and tests, calibration program, shipping, raw material stores and corrective actions.

QUALIFICATIONS:

Who May Apply: US Citizens

In order to qualify, you must meet the education and/or experience requirements described below. Experience refers to paid and unpaid experience, including volunteer work done through National Service programs (e.g., Peace Corps, AmeriCorps) and other organizations (e.g., professional; philanthropic; religious; spiritual; community; student; social). You will receive credit for all qualifying experience, including volunteer experience. Your resume must clearly describe your relevant experience; if qualifying based on education, your transcripts will be required as part of your application. Additional information about transcripts is in this document.

Specialized Experience: Specialized experience is defined as: participating in audits or systematic evaluations; researching issues and recommending applicable corrective action; preparing written correspondence to outline quality standards. One year of this specialized experience required at the next lower grade/level position in the federal service (GS-05).

OR

Education substitution for Specialized Experience for GS-07: Successful completion of one full year of graduate level education or superior academic achievement (defined as a bachelors degree with at least one of the following: upper third of graduating class OR G.P.A. of 2.95 or higher OR membership in a national scholastic honor society.) Additional information can be found in the OPM Qualifications Standards. If claiming superior academic achievement, you must include documentation to verify eligibility. (You must attach a copy of your transcripts).

OR

Combination of Experience and Education Substitution for Specialized Experience for GS-07: If you have some, but not all, of the experience or education described above, you may still qualify by combining the amount of creditable experience and education that you possess. To compute the percentage, divide your total months of qualifying experience by 12. Then divide your semester hours of graduate education by 18. Add the two percentages. The total percentage must equal at least 100% to qualify.

FOREIGN EDUCATION: If you are using education completed in foreign colleges or universities to meet the qualification requirements, you must show the education credentials have been evaluated by a private organization that specializes in interpretation of foreign education programs and such education has been deemed equivalent to that gained in an accredited U.S. education program; or full credit has been given for the courses at a U.S. accredited college or university. For further information, visit:

ADDITIONAL INFORMATION:
• Direct Deposit of Pay is required.

• All candidates who meet the basic qualification requirements will be considered. Subject to proof of AAC membership, AAC members from other services will be accepted by Army without additional review. Army Acquisition, Logistics and Technology (AL&T) Workforce applicants must have an Acquisition Career Record Brief (ACRB) on file in the Career Acquisition Personnel and Position Management Information System (CAPPMIS).

• Selection is subject to restrictions resulting from Department of Defense referral system for displaced employees.

• If you have retired from federal service and you are interested in employment as a reemployed annuitant, see the information in the Reemployed Annuitant information sheet.

• This is a Career Program (CP) 15 – Quality and Reliability Assurance

• Multiple positions may be filled from this announcement.

• Salary includes applicable locality pay or Local Market Supplement.

• When you perform a Civilian Permanent Change of Station (PCS) with the government, the Internal Revenue Service (IRS) considers the majority of your entitlements to be taxable. Visit https://www.dfas.mil/civilianemployees/civrelo/Civilian-Moving-Expenses-Tax-Deduction/ for more information.

• If you are unable to apply online or need to fax a document you do not have in electronic form, view the following link for information regarding an Alternate Application.

• Permanent Change of Station (PCS) allowances may be authorized, subject to the provisions of the Joint Travel Regulations and an agency determination that a PCS move is in the Government Interest.

• Noncompetitive promotion potential to target grade.

• This is an Army Acquisition, Logistics, and Technology Workforce position. Selectees must meet the position requirements for certification at Level II in Production, Quality and Manufacturing within 24 months of entrance on duty. (Certification requirements may be found in the Defense Acquisition University Catalog at http://www.dau.mil/.) Due to the impact of the Coronavirus, individuals with entrance of duty dates prior to April 1, 2021 will have an additional 12 months to meet the certification requirements, up to a total of 36 months. Information on the Army Acquisition, Logistics, and Technology Workforce may be found at https://asc.army.mil/.

Benefits: A career with the U.S. Government provides employees with a comprehensive benefits package. As a federal employee, you and your family will have access to a range of benefits that are designed to make your federal career very rewarding including healthcare, dental, vision, retirement, life insurance, and 401K!
