Joint Munitions Command

Located at Rock Island Arsenal, Rock Island, IL

**Supplying America's Warfighters with the
Right Munitions, at the Right Place,
On Time, Every Time!**

The Joint Munitions Command provides America's Joint Forces with ready, reliable and lethal munitions at the right place and the right time in a cost-effective manner to enable successful military operations.

JMC operates a nationwide network of installations and facilities where conventional ammunition is produced and stored. JMC manages plants that produce billions of rounds of ammunition annually, and manages the depots that store the nation's ammunition for military training and combat. We are vital to the nation's defense.

JMC employs nearly two dozen military members, more than 5,000 Department of the Army Civilians and 5,300 contractor personnel. Of these, hundreds work in the headquarters at Rock Island Arsenal in professional, technical, and administrative positions.

Why work for JMC? In addition to competitive salaries, the government offers paid vacation days and sick leave; 10 paid federal holidays; a flexible work schedule; insurance options; training, travel, and relocation opportunities; as well as morale/welfare benefits like free Rock Island Arsenal gym membership, tickets to community activities and events, equipment rental options, auto repair facilities, intramural sports teams, and much more.
