MAPS COLLECTION**Overview of the Collection**

Number: MSS 2006.14  
Title: Maps Collection  
Creator: Archivist  
Dates: 1800s-present  
Media: Paper, plastic – flat storage  
Quantity:  
Location: C1-A(1-16), C1-B(6-20), C8-A(1-

**Scope of the Collection**

This collection consists of roughly 1,000 maps, mostly large-sized. These include: oversized maps, maps of military bases and installations, and miscellaneous other maps.

**Organization of the Collection**

The maps in this collection are organized by category (oversized, military bases, miscellaneous). Within each category, maps are alphabetized by location and map name. Where multiple maps have the same name, they are also arranged chronologically. As new maps are acquired they will be added to the end of the list, and filed in order of acquisition. This finding aid divides the list according to location.

**Administrative Information**

Access: Unclassified items within this collection are open under the rules and regulations of the Command.

Preferred Citation: Researchers are requested to cite the collection name, collection number, and the Command Archives in all footnote and bibliographic references.
