MSS 2007.3  
SMALL ARMS AMMUNITION HANDBOOK COLLECTION

**Overview of the Collection**

Number: MSS 2007.3  
Title: Small Arms Ammunition Handbook Collection  
Creator: Archivist  
Dates: 1950-1959  
Media: Published booklets  
Quantity: .5 c.f.  
Location: B8, Shelf 7

**Scope of the Collection**

This collection consists of operational handbooks for machines used in the manufacture of small arms ammunition. These manuals are intended to be used by machine adjusters.

**Organization of the Collection**

The items in this collection are organized according to their external reference number (Ordnance Corps code).

**Administrative Information**

Access: Unclassified items within this collection are open under the rules and regulations of the Command.

Preferred Citation: Researchers are requested to cite the collection name, collection number, and the Command Archives in all footnote and bibliographic references.

Provenance: Old Archives

Property Rights: The Command owns the property rights to this collection.

Copyrights: Consideration of all copyrights is the responsibility of the author and publisher.
