

**COMMANDER:**

Lt. Col. David A. Dellerman

**PUBLIC AFFAIRS OFFICER:**

Jana Carroll [jana.l.carroll.civ@army.mil](mailto:jana.l.carroll.civ@army.mil)

Phone: 859-779-6298

**ADDRESS:**

Blue Grass Chemical Activity  
Building S 8 431 Battlefield Memorial Highway  
Richmond, Kentucky 40475 5008

**MISSION:**

Blue Grass Chemical Activity (BGCA) mission is to ensure the safe and secure storage of the chemical weapons stockpile until mission completion.

**FORCE MULTIPLIER:**

Blue Grass Chemical Activity (BGCA) stands as a vital guardian of our nation's security. We are charged with the uncompromising task of preserving the integrity of our chemical weapons stockpile—ensuring its safe and secure custody until our overarching mission reaches its definitive conclusion. In doing so, BGCA exemplifies the steadfast commitment, precision, and accountability that our defense strategy demands. Every step we take is driven by an unwavering resolve to protect our national interests and pave the way to a safer future.

**CAPABILITIES:**

- Chemical Munitions Storage & Surveillance

**HISTORY:**

The Blue Grass Chemical Activity (BGCA) supported delivery of chemical munitions to Blue Grass Chemical Agent-Destruction Pilot Plant (BGCAPP) for destruction and was responsible for the safe and secure storage of the chemical weapons stockpile at Blue Grass Army Depot (BGAD). BGCA reports to the U.S. Army Chemical Materials Activity. BGCAPP completed agent destruction operations on July 7, 2023, marking the complete destruction of all chemical weapon stockpiles declared to the Organization for the Prohibition of Chemical Weapons.

**FACILITIES:**

BGCA is housed on 250 acres of the 15,000-acre Blue Grass Army Depot, in Richmond, Kentucky.
